During the first 48 hours after opening, the initial limit of entries designated as either online or paper will be as follows: 30 online entries and 70 paper entries each day. If either form of entry (paper or online) has not filled at the end of the 48 hour time period, the club reserves the right to decrease or increase either one accordingly.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day.

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

FIX AND GO ON (FNG)

Fix and Go On will be offered. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

ENTERING FOR EXHIBITION ONLY (FEO)

For Exhibition Only will be offered. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in the all classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of any class. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
- Toys must be non-audible
- Toys may not leave the handler's hand
- Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

JUMP HEIGHT

MOVE-UPS and HEIGHT CHANGES No Text or Voice mail allowed for move-ups or class changes.

From Chapter 1, Section 20: Move-Up entries will be accepted for dogs that have completed a title after the closing date. Email notification of move up or class change is acceptable, with return receipt verification from the secretary. Either Move Up forms or emails must be completed and delivered to the Trial Secretary prior to 6 PM on the Monday evening preceding the event. Move-up entries for Saturday or Sunday must be delivered to the Trial Secretary within 30 minutes of the conclusion of judging of the class they are moving up from. Dogs so moved up will run at the end of the running order. Move-ups can only be accepted if judging limits are not exceeded. Entry move-up valid only if

the dog was already entered in the Event indicated and only if approved by the Trial Secretary. Dogs moved up will run at the end of the class running order.

Effective February 1, 2017:

Regulations for Agility Trials: Chapter 1, Section 21.

Change of Entry. In addition to Move-ups as described in Chapter 1, Section 20 entries may also be changed as noted in this section. A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class. After the close of entries a dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

WAIT LIST

After the closing date of Wednesday, Jan 5th, the DSA is offering a wait list to fill openings created by entries withdrawn after closing. A maximum of 20 entries will be placed on the wait list. All entries, including wait listed entries, must be received by the trial secretary prior to Wednesday, Jan 5th at 6:00 PM. Any entries withdrawn prior to Monday, January 13th, 6:00 PM will be replaced by a wait listed entry when available. A full refund will be given for withdrawn entries when a wait listed entry is available to replace the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by Monday, January 13th will have entry form and method of payment shredded. If partial entries move in a refund will be issued for entries that did not move in.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs 15 months of age and older that are registered with the American Kennel Club or are registerable breeds that have obtained an AKC ILP/PAL number. Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word 'dog' is used in these regulations it includes both sexes. Canine Partners are allowed entry into this set of trials.

HANDLER WALK-THROUGH, TIMING AND WARM UP

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Electronic timing devices may be used.

MEASURING and HEIGHT CARD INFORMATION

All agility dogs are required to have an Official Jump Height Card and exhibitors must be able to present it prior to running their dog(s) in any class or at any time during the trial upon request. Dogs without a valid Jump Height Card may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for this trial or back-to-back trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box. **Junior Handlers** should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the forgoing representation and agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.
